INTRODUCTION

The Department of Publication has a checkered history since its inception under the British Regime in 1924. During less than half a century of its functioning, it had been handling 75,000 titles brought out by 184 Departments (Ministries, Attached and Subordinate Offices of the Central Government including Autonomous Bodies) and ranks No. 2 as the largest publisher and stockist of Government publications after Her Majesty Stationery Office, London which produced 90,000 titles in 186 years of its existence.

2. After independence, the activities of this Department expanded considerably in the context of various Reports, Statistics and other important publications brought out by various Ministries/Departments of the Government of India and the Planning Commission, so essentially required for planning a sound socio-economic betterment for the people of India.

3. In 1973, the status of the Publication Branch which was previously of a Subordinate Office was raised to a full-fledged Department under the Ministry of Works & Housing. The officer incharge of the Publication Branch known as the Manager of Publication, was redesignated as the Controller of Publications assisted by one Deputy Controller (Head of Office), five Assistant Controllers dealing with stocking, distribution advertisement, insertion and sales promotion etc. and one Financial Officer dealing with the accounts matters. The Department has sanctioned strength of 586 employees handling the stupendous work. The Department ceases to be a servicing Department and has now assumed the out-look of a semi-commercial Department on the basis of the recommendation made by the D.P. & A.R. on organisation and staffing pattern.

4. The Department has 3 Sales Emporia—One each of New Delhi, Calcutta and Bombay (the last named was closed in April, 1978 and is being revived shortly) and 3 Sales Counters *i.e.* at Udyog Bhawan, Delhi High Court and Head Office. U.P.S.C. and C.B.R. Building, Sales Counters are also proposed to be revived.

5. The Publication Department has 1048 agencies, including 151 Sale and Return Agents, 23 State Government Agencies, 310 Employment Exchange agencies, 24 agencies in foreign countries and 3 Railway Book Stalls through which Government publications, periodicals and Gazette of India (all parts) are sold/distributed. The value of publications in stock runs into crores of rupees and the annual turnover is about Rs. 2 crores including the value of advertisements secured. The publications are supplied to the various parties directly also on receipt of indents from State Government, Semi-Government Institutions and private parties by cash receipts/Cheques/Money Orders/Bank Drafts/V.P.P. and supplied to agents against their Cash Deposits Accounts. 25% commission is given to the agents selling Govt. of India Publications.

6. The Department proposes to have a net-work of Sales Depots/Counters in all the 13 port cities and also at each Important Department of the Government of India and State Headquarter. As a part of the campaign for sales promotion, the Department has already received 225 applications from *bona fide* Booksellers for appointment as new agents. The old terms

and conditions for the grant of agency are being modified to suit the present requirements.

7. After its reorganisation, the Department ceased to be merely a servicing Department and started functioning on Semi-commercial lines. Greater attention is being paid to increase the Government revenues by selling the largest number of publications and by securing maximum advertisements for insertion in important publications/periodicals, etc.

8. The Department has partially shed the unproductive work and is concentrating on the sale of valuable publications including the Red Book. The publications of Defence Department most of them being Secret are circulated by this Department as per lists received from the Defence authorities from time to time. This work is proposed to be transferred back to the Defence Ministry as recommended by the Department of Personnel and Administrative Reforms. The unpriced publications of the P. & T. and Railways and of the Deptt. of Labour and Employment are not handled by the Department of Publication. As a result thereof the Department is presently handling nearly 47,000 titles. As a result thereof the Deptt. has already shed 84 posts in Group 'C' & 'D' showing a saving of Rs. 5.14 lacs out of which savings in expenditure continues as Rs. 3.53 lacs annually.

9. During the year 1979-80 commendable work has been done for weeding out of 7310 titles of obsolete publications in accordance with the Rules framed in 1978. Prior to this, this work had been badly neglected. This is a record performance in this particular sphere.

10. A sum of Rs. 13.26 lacs has been recovered during the year 1979-80 on account of credit sales from various Departments includes the arrears of subscription of Gazette of India. A sum of Rs. 11 lacs more has been recovered in the current year and all out efforts are being made to clear the outstanding dues pending for the last several years.

11. The new Organisation and method techniques have been invoked for sales promotion by effecting economy in expenditure and restructuring the existing staffing pattern. Procedures have been streamlined so as to ensure quicker supply of publications to the public, the agencies, depots and Government Departments/Semi-Government Institutions. The Department had also produced the latest Catalogue of Publications corrected upto July 1979 and steps have been taken to publicise the New Arrivals on regular basis through D.A.V.P. from time to time.

12. The Publication Department proposes to create a PERT Cell under a Planning Officer with a view to collecting information data processing and monitoring information to plan, promote and achieve higher efficiency and desired objectives.

13. The Department of Publication by its participation in the 4th World Book Fair held in February-March, 1980 in New Delhi projected its image much better than before and the presentation of its publications at the stall was appreciated by several dignitaries. The value of the publications sold during the Book Fair was Rs. 23,917 which is 82 per cent more than the sale achieved during the 3rd World Book Fair.

AMRIK SINGH,
Controller of Publications.

FOR ALL YOUR REQUIREMENTS OF :

1) **GOVT. OF INDIA PUBLICATIONS**
2) **PERIODICALS**
